CAREER OBJECTIVE

Software Developer with a strong foundation in AI/ML and Frontend Development. Skilled in building responsive web applications using modern technologies and developing machine learning models for real-world problem solving. Proficient in Python, React, and Java, with a focus on writing efficient, scalable code. Eager to contribute to dynamic teams while continuously learning and adapting to new technologies.

SKILLS

- | | | | |
|----------------|------------------------|----------|--------------------|
| • Python | • React.js | • Java | • Machine Learning |
| • NLP | • TensorFlow / PyTorch | • Pandas | • NumPy |
| • Scikit-learn | • Git / Github | • Docker | • Postman |

PROJECTS

TruthX – Fake News Detection

Tech: React.js, Flask, NLP, Machine Learning, APIs

Built a web app that helps users check whether a piece of news is real or fake. It uses NLP and machine learning models along with external APIs to give real-time credibility scores.

Dark Web Monitoring System

Tech: Python, APIs

Developed a system to monitor sensitive keywords on the web, collect related data, and track potential threats by analyzing links and IP information in real time.

OneFlow – Project Management

Tech: React.js, Node.js, Express.js, MongoDB

Developed a full-stack app for managing tasks and team workflows. It includes features like authentication, task tracking, and dashboards to improve team productivity.

Guvi ML Dashboard

Tech: Python, Machine Learning, Tensorflow

Created an interactive dashboard where users can upload datasets, run ML models, and instantly see prediction results along with confidence scores.

ACHIEVEMENTS

Participated in AI Summit Hackathon (HCL × GUVI) 02/2026

Participated in Odoo Hackathon at IIT Gandhinagar 11/2025

Participated in Smart India Hackathon 2024 12/2024

Secured 3rd Position in Dark Web Monitoring Project at Rajasthan Police Hackathon, Rajasthan Police 01/2024

EDUCATION

Bachelor of Technology | Computer Science and Engineering, 07/2026

Babu Banarasi Das Northern India Institute of Technology, Lucknow, India

12th Board, Jagran Public School, Lucknow 05/2021

10th Board, Jagran Public School, Lucknow 03/2019

CERTIFICATIONS

- | | | | |
|--|---|---|---|
| • Cloud Computing Fundamentals – IBM SkillsBuild | • System Design in MAANG – Scaler Masterclass | • Data Science using Machine Learning – Udemy | • Cybersecurity – Teachnook (IIT Bhubaneswar) |
